DESIGNER STATEMENT

This generous two bedroom, one bathroom apartment has a wonderful outlook, across a flush threshold and generous balcony, to leafy Stirling Park and a view, with the site's elevated vantage, to the Cottesloe district and the ocean on the upper floors. With a large, well-wrought open plan living area, including a large kitchen island and substantial bathroom with a European laundry, the apartment has ample access to natural light and views through full height glazing.

*Refer to contract strata plan for specific car bay detail.
